On June 6, 2022 at 7 p.m., the Board of School Trustees of the Cloverdale Community Schools will meet to discuss and hear objections to and support for proposed amendments to the Superintendent's contract. A summary of the proposed contract is as follows:

- Contract Term: July 1, 2022 to June 30, 2025.
- Annuity Plan: The School Corporation contributes an amount equal to 15% of the Superintendent's annual base salary to his 401a annuity plan.
- Retirement Health Insurance Benefit: The School Corporation will pay the cost of the group health insurance plan for the Superintendent upon his retirement at no earlier than the age of 59.5 until he is eligible to receive Medicare. In the case that the Cloverdale Distance Learning Academy, aka Tech Trep, is no longer part of the School Corporation at any time during this period, this benefit will become null and void.
- Outside Consulting: The Superintendent may do outside consulting on his non-contract/personal time.

The Board will vote on the proposed contract at a subsequent public meeting on July 11, 2022.
